Then, we take skin protection to the next level with our handy, unscented Broad Spectrum Sun Stick and new moisture hero Soothing Stick. This kit is packaged in an eco-friendly, TSA-approved bag, with attractive hemp trim and zipper top – perfect for taking with you on your outdoor adventures.

Pairs well with
bluetooth speakers,
tumblers, clothing,
or fidget games.

DIY LIP BALM KIT

ITEM CODE: #SET-DIYLB

This revolutionary kit goes beyond typical promotional products by creating a unique experience for each and every user as they create their own lip balm. Foster a moment of ever-important self-care that leaves a lasting impression with an experiential, fun, and creative product. This kit includes everything needed to make five lip balm tins: ingredients (natural beeswax pellets, sunflower oil, peppermint essential oil, vanilla flavoring), utensils (plastic beaker, pipette, spatulas), empty lip balm tins, and instructions. Branding space includes customized labels for the tins, and a customized label for the inside box lid.
