

Tinted Lip Balm

NEW for 2020! Make a statement with your personal care promotions. Our Tinted Lip Balm is formulated with coconut oil, beeswax and vitamin E to nourish and protect lips, but also leave a subtle pop of color that will make an impression with end users. This product is unflavored, and available in three shades that are meant to be inclusive and flatter all skin tones.

Available Shades: Rose Red, Petal Pink, Naturally Nude.
